## About Fussenegger & Partner

---

Fussenegger & Partner, founded in 2008, is your competent address in all tax consulting, auditing and accounting related matters and offers you and your company in those areas comprehensive and individual support and assistance.

As small tax advisory „boutique“ combined with previous long lasting working experience in big international tax consulting firms such as BDO or Deloitte we are able to provide our services in the same quality and extent to international corporations as well as to start-up companies, SMEs or to individual tax payers.

Our office is located in the heart of Vienna, and we and our colleagues are at your disposal at (nearly) any time that is required. Best service, efficiency and highest quality of our work are central characteristics of our business culture.

By our co-operations with renowned local attorneys at law and public notaries we can offer you – beyond our key competences – extensive assistance in all legal and business related aspects of founding, developing and leading your company.
